“ I remember living across the street for Ron and his family for almost 12 years. The moved to Stuart and now I have followed. I missed his craziness. He fell under the protective nature of our dog and bit a girl thinking she had hit him. I talked to him just a few years ago and hoped he was enjoying his retirement. Hopefully he will rest in peace.

Sincerely yours,  
Kemper Smith and his wife.

“ Ron and I worked together covering the north sections of Fort Pierce in the 1980s. (zones 1 and 2) He was a man you could count on no matter how bad the situation was. His reputation in the community was so well known that many suspects cooperated with him where they gave other officers a hard time. I have enough memories of things that happened working with him to fill a book. Truly saddening news to hear. Condolences to his family.

“ So many memories of Ron during his time with the St. Lucie Sheriff's Dept on Hutchinson Island. Ron was our Deputy who always took the time to check on us at night at Vistana Beach Club. Throughout the years we became good friends and he will be greatly missed. My sympathies to his family.

“ I remember when I started back on patrol in 2000 in Saint Lucie County. Ron and I used to patrol A1A South Hutchinson Island. We worked opposite shifts for awhile and I remember him teaching me the ropes and how to deal with the Island people aka snow birds as he likes to call them.

We then worked the same squad and had many great times together. Still remember when he lived on the IRCC campus. I would go hang out and he would show me he coins he had collected

He was a great guy and will be missed.

Thoughts and prayers to his family and friends.
