“ "Happiness lies for those who cry,those who hurt,those who have searched,and those who have tried,for only they can appreciate the importance of people who have touched their lives." Thank you so much ronnie for letting me be an important part of your life,and for making sure that i KNEW it constantly for the past two years.You were a true friend to many people and i feel so privileged that you considered me as YOUR best friend and confidante.you helped me through some very difficult times in my life which i dont think i wouldve survived with my sanity still intact without you. you truly were a "one of a kind" special person and i know i will never be able to replace you as my best friend##imported-begin##sandy howard##imported-end##

“ To the family of Ronnie

If I could write from Heaven, this is what I'd say, Please don't miss me too much, I'm wth you throughout your day. You may not see or hear me, but if you're quiet and still, You may just feel my presence; because, in Heaven there is free will. Don't worry for the day, it will come and go as planned, Enjoy each moment you are given, keep worry from you hand. Keep sorrow to a minimum; For if Heaven you could see, You'd know I'm safe and happy, I did not cease to be. Moments in tme are brief, until we'll be together again, as Eternity lasts forever, our lives, they have no end.

Our thoughts and prayers are with you all###imported-begin##Candace & Rickey Rye##imported-end##
