“ To Jan and Sherry and all the family, we are so sorry to hear of your loss! I am out of town tomorrow or I would certainly wear my Lanier Poet cap and sit "with the guys"! I know you all will miss his presence and just know you'll be in our minds and prayers during this difficult time.

“ To all of Ronnie's family & loved ones, I am so very sorry about his passing & praying for you as you deal with this loss, but rejoice for him that he is out of any sufferings in this life & is with his loved ones who have already gone on to be with Jesus. I hadn't seen him in years, but always remember him as a kid laughing & cutting up. I know he will be missed by so many whose lives he touched.

To the family of Mr. Lord, I worked at Piggly-Wiggly as my first job at age 16, for Mr. Lord. He taught me a very strong work ethic, and to be proud of the work that I did. He instilled in me the work skills that would take me through life. I am now 63 years old, and I can say that with his positive influence on my life at such a young age has never left me. I am so sorry for your loss. God Bless You All.
