*“ this is my grandfather. i am the son of Charles(chuck) Loggins, i believe i am the youngest of the loggins and i am proud to carry the last name even in its faults. this man wasnt a good one and he wasnt a bad one, ive personally never had a problem with the man and in my last years of seeing him he taught me some things that translate in today's world. he was hard working and kind when he wanted to be, he was strong and courageous, a gentle giant if you will. he was and still is one of the few male figures ive ever had in life and i am honored to be apart of this bloodline. -Tristen loggins.*
