“ To my family, what a loss. I can't find one particular word that will describe this man because there are so many, I really never thought I had a favorite cousin because all of them are remarkable. But God allowed me to spend some quality time with this wonderful, loveable, kind, intelligent , smart, funny, caring, and a heart of gold man. But I can go on, and on and on about him. I will cherish every moment and remember all the good times. i know he will be missed dearly and nobody will never replace him. We love him. but i know God love him best. i pray that God continue to strengthen us and be encouraged my family. Loving always, Betty and Tony Craig Hunter

“ To my cousins, Family of Spooky

*I'm going to miss Spooky, for he mostly would say Hey there KUZZ, how you been doing KUZZ and always wanted to know, why did I talked so fast, and of course, you know I had to hit him back by saying, nobody in the world could beat your fast talking record. My GOD give you all strength and peace, one day at a time. Just always remember GOD never makes a mistakes or gives us more than we can bare and he always plucks from the best of his gardens, so he picked another one of his kind-hearted angles. May he rest in Peace and I'm hoping one day to see him again.*

*Love to All*

“ Dear Spookie's family, so sorry to hear that he has passed on. Spookie's was always smiling and was a very nice man. He loved his family and included their friends as his friends. Please know that the whole family is in our thoughts and prayers. Sad to think we won't see that smile or hear that laugh. May God bless your broken heart with wonderful memories that's how he would want it to be. With deepest sympathy, Nancy G. Floyd
