“Daddy, I’ll never forget the times we had together. I’ll never forget how you always called me “sweet pea” and told me I could be anything I wanted to be. Thank you for believing in me when I didn’t believe in myself. I’ll cherish the icees we would get and the time in the park enjoying them. I enjoyed singing with you and all of the weekends when you made sure it was all about Lauren and I. You made me feel special. You helped to make me who I am. My heart is broken, but I know that you’re not suffering anymore. I try to take comfort in that.... I love you daddy, coast to coast...& east to west- you’re the best

Yes he did do that sis. But that’s one thing that I have to tell my self every day that eventhough he isnt here anymore he is right here. When i went and saw him he put an Owl necklace around my neck and every day some way somehow I see an owl. Thats just him letting me know that he is still here and he will walk with me every day. Just to keep my faith. Gosh I miss you so much DADDY!!!!
