“ So sorry to hear about your loss. I think about Rosa knowing that today she is in heaven walking the streets of Gold stopping and talking to everyone. With a smile, I think of Rosa back when she was young and she would come to our house to visit Mama and myself while Daddy and Curtis were at work at night. I can remember her getting all the children fed and looked after at the table. I remember it like it was yesterday. Her memory will remain in the hearts of many. Just know that today she is in a far better place where there is no suffering, no more pain. There is eternal peace and joy there. You all will be in my prayers.##imported-begin##Barbara Harris##imported-end##
