“ Mema,
I miss you so much. I never thought on Tuesday morning the 16th, when I last spoke to you, that I would never hear you call me your "babydoll" again and that you would pass away that night. Sometimes, I think about calling you to tell you about something the boys did and I realize you are not here anymore. I wish I could get another big hug and kiss from you and just tell you how much I love you, but I know that one day we will be able to see each other again in heaven. I can't wait. I love you! I wish that I had a magic word to make you feel better. But I know there are none. This is a pain that is worse then any I know of. I'm still in a fog after loosing Mama.

“ Nikki,
I am praying for you and your family at this time in your lives. I know how hard the loss of a loved one is, and how hard it is to put the pieces back together again. I know there is really nothing I can say to relieve your sadness, but know that I am here for you if you need me. I pray that your family's grief will quickly lessen so that your grandmother's death will not be foremost in your minds, but only the happier times you shared with her. I love you! “ Nikki,
I am so glad that there is a way for you to know how many people are praying for you and your family. When I read about your grandmother and how she brought joy and was an encourager, I can see that you two have somethings in common. Relationships with grandmothers are so special when we are blessed to grow close to them and to love them as I know yours was...those memories will always be a part of you. Just know that I am praying for comfort as you remember the times you shared with her as well as joy and rejoicing that she stepped out of this world immediately into one that is so amazing that we can only imagine it right now.
Love,
Patti###imported-begin##Patti Howard###imported-end##

“ Dear Nikki,
Just a note to let you know that I am keeping you in my thoughts and prayers. I know from speaking with you how very special your grandma is to you. I can't imagine how much you meant to her because just in the short time you have been at Riverbend, we have fallen in love with you too!. I trust that you will find peace in the fact that she has gone on to be with our Lord and all her love ones that have gone on before.
I'm sure that she has many rewards waiting for her. Rejoice that one glorious day you will see her again. I know that she is proud of you and what you have become. May God bless my dear friend.

In his love,
Debra###imported-begin###Debra Smith###imported-end##
