“ Our thoughts and prayers go out to Sarah and all the family. Roy wasn't only my brother and law but for many years he was my best friend. This man could do anything he set his mind to do and he Always did it well! Fran and I have missed our friendship for a while now but I do believe that friendship will be reunited one day. My favorite memory was the nights we spent helping Jeff rebuild a Volkswagen Beetle. We spent many nights after he had done a long days work already. Thank you for Always being there for Jeff John
