I will miss my Dad, but I know he is with the Lord in a better place with no pain or suffering. He is loved by many and never met a stranger. Our Mother, Runette is being so strong but I know after 63 years of marriage it's going to hard to be without Daddy/Pa. All the grandchildren have had very special memories with their Pa. The great grandchildren will have special memories and will hear from the older one all about Pa. Daddy was Blessed to even see and spend time with Great Great Grandchildren. We love our Daddy with all our hearts and Momma loves him. He had many specail family and friends that will miss him.

“ My deepest condolences to the Pounds family. Mr. Roy was a wonderful man and I have many memories of him from growing up knowing the family. I use to spend a lot of time at the Pounds home as a kid. Those are some great memories. He will be missed by many.

“ *Uncles have a special role. Not being our father, they can be a friend and a supporter in a different way than anyone else in our lives. They are both a relative and a companion; one of the few people able to be both. Whether they are crazy and weird and only seen at holidays or our fishing buddy and mentor, the loss of an uncle is a particularly hard one. Their loss, however, is filled with the years of happy memories we had, and that special connection that belongs only to uncles. Uncle Roy you will be missed and your family loved you so very much.*
