“ I miss my papa so much. This will be my 9th Christmas without him. I only knew him since i was 3/2. I was born in 2013 and he died in 2015. He would be so proud of my aunt. He would love love love her baby. I wish i knew him for longer. It felt different eveyone became different since he left us. All i know is hes looking down on me opening my Christmas presents while we both smile. 😞

“ Im one of Roy's Grandkids, Jasmine and i miss him so much..He was my heart and I was his and he was there for me when nobody else was there to make me feel better about myself..I cry when i think about him and at this moment im crying just writing his name and whenever i see a picture of him or i see or hear something about him i try not to cry infront of people because i know he doesnt want me to feel hurt. he said before he died he thought i was going to be mad at him for dying but im not mad and i want him to know and remember ill never forget him. Everyday It doesnt feel like hes gone it feels like hes in the living room watching the Braves play Baseball or answering the phone to people who try selling something and he makes it funny before he hangs up! He was the best man I have had in my life and he still is , hes my hero!! R.I.P Roy Morris Tollison , My heart.

“ *Daddy,
I miss you so much! It's been a week now
since you been gone and all I can do is think
about you. I got your cover you had when you
left me and I take it with me everywhere I go, i
even sleep with it so the smell of you stays with me. I wont let
nobody touch it so they wont take you from it. I dont know what to
do without you this is so hard for me I just dont know what to do! I'm
still looking for my sign and I love you so much that will never
change. God please take care of my daddy til I get there and please
ease some of this pain that is inside my heart*

“ I am so sad to hear of Roy's Passing. He was the single biggest influence in my professional life. I learned more from working for Roy than I did from any school course I ever attended. The world is a lesser place because of his passing. He will be missed.

“ Dear Tolinson Family : I am very sorry for the recent loss of your dearly beloved one and please allow me to share scriptures that I have personally found to be of great comfort. The Bible tells us that "Our Heavenly Father is close to the brokehearted and he saves those who are crushed in spirit"{Psalms 34:17,18}. He promises to "swallowing up death forever"{Isaiah 25:8}; do away with the one who causes death, Satan {Heb. 2:14}; and restore perfect peaceful conditions, for his people right here on earth{Psalms 37:9-11,29}. I truly hope you find comfort in the scriptural thoughts during your time of grief, and allow you to mediate on such promises.
