“ Judy,
It seems like yesterday and we were all living on the Gordon Road and twirling batons at Baldwin. I have thought of you and your family many times throughout the years. Your mother was so wonderful and you were so much like her both in looks and in kindness. She was so fortunate to have you and you her. My father loved your dad and considered him such a close friend. We were both fortunate to have had such fine parents. Thinking of you during this sad time.##imported-begin##Annette Newton Burgamy##imported-end##
