“ As many of you know, my cousin Kendall and her husband, Andy's beautiful baby girl, Ruby, went to be with our Lord and Saviour earlier this week. Her funeral is today at 2pm and i just wanted to post something to show my condolences to the family. Although death has separated you physically, Faith and Love have bound you eternally. Though you cannot see her, you know she is there. Tough you cannot touch her, you feel her warmth. At 2pm today, you will lay Precious Ruby to rest, and although you only had a few days with her, thoses moments will always be embedded in your hearts. May God keep you at peace today and always. Stay strong in your faith lil' cousin. Andy thank you for being so brave and supportive to Kendall, you are simply amazing. To the Family (Reid/Castillo) God bless you all for the stregnth that you all have TOGETHER to continue to get through this most heartbreaking time. I love you all.

Kendall and Andrew, I know you are going through hurt and pains over the loss of Ruby. She will forever be your angel. It breaks my heart to hear of the loss of a child. I believe in the song that says the closest thing to heaven is a child. She will bring you closer to God to assure you of her everlasting life.

“ Kendall & family,
I am so sorry for your loss of baby Ruby. I wish that there was something I could or do to make it better but I know that there is not. Remember to lean on the Lord's word for guidance and support. There is time of mourning and time of healing. I am praying for you all that our Lord will wrap his arms around you, help guide you through this difficult time, and help you find understanding through his words. God Bless to each of you.
