“ I got to know Frank when I worked for him as a driver. He always treated me more like a son than an employee and I'll remember him with a smile on my face because of the great times we shared. He and Marjorie are part of the family. Marjorie all you need to do is shout if you need anything.

Frank and I were best of friends for many years in our younger years. We shared a lot of good times when we were young and crazy. I have a lot of great memories of our ventures and fun times. I pray that Rusty and Sherry and family have peace in their time of grief and I pray that Frankie went peacefully.
