“ *Mrs. Bonnett was like a Mother to me. She and Mr. Bonnett took a lot of interest in me and cared about me. I feel like I lost a Mother too. She was so kind and thoughtful of others. She was truly a Christian, a loving person, and she is not suffering any more. Our sympathy to Cookie, Wendy, and their entire families. May God bless you!!!!*

“ I did not have the honor of knowing Mrs. Ruth, but my Mother loved her so! I am the daughter of Jeannette Smith Turner. I know Mrs. Ruth was very special to my Mom. My thoughts and prayers are with your family at this difficult time.

“ Mama took me up to her house in Decatur for my 13th birthday. She set up the card table in front the the fireplace in the den and made me pancakes and sausage and her famous biscuits. I also remember a Thanksgiving when I was much younger when Jimmy was trying to tease me with his beard. All it did was scare me to death. She really fussed at him. I cried myself to sleep on the sofa in the den while everyone else ate. But when I woke up, she insisted I sit at the "big people" table. That meant alot to this little kid. There are several other memories to share. As hard as it is to know she's gone, I know its where she wanted to be. I am happy that she and Uncle Smitty are reunited. She was a remarkable, phenomenal woman who loved her family and most of all, her Lord, Jesus Christ. Her example of Christ-like living is what I will strive to become. She was a role model for the ages
