“ Oh my. I didn't know that Ruthie had passed away until just this moment. I could never reply the kindness Ruthie and her husband paid to me when I was a child. They let a total stranger come and stay with them to get away from an abusive boyfriend- they opened their homes and their hearts, and they saved my life. ♡ Ms. Ruthie, you will NEVER be forgotten. ♡

“ There's so many things I'll hold dear to my heart. There's a couple things thou that I get a kick out of... one year, I was around 21, I decided I was going to use an ice cube & needle to give me another earing hole.. Ruthie was there she helped me & popped em right thru!! Another time, I was staying w Ruthie & Gary.. I had been warned that she liked to rearrange the furniture during the middle of the night.. what I wasn't expecting was for me to go to bed on the couch on one side of the livingroom & wake up on the other 😬😬😬

😬 Yea that had me puzzled for a bit.. as she stood in the kitchen, drinking her coffee & laughing at me the whole time!!! 😬😬 She had a sense of humor.. she would crack jokes & b as serious as can b.. you really had to wait & watch her to b sure if it was a joke or for real!!! I was lucky to inherit that from her thou!! 😬😬 I loved my aunt dearly, I wish I could had lived closer the past 20 years to b around them both more. I always enjoyed their presence!!! She loved Gary so much.. they are the true meaning of Soul Flames & Twin Flames together!! Such a rare thing to get to enjoy!!! She made in 6 months past the loss of Gary. They are reunited again.. their souls will never part!!! I love you so much & miss even that much more "aunt" Ruthie & "uncle" Gary. I'm so glad I got to b a part of ya'll's life span!!! I hope we cross paths again one day!!! Thank you for your generosity, caring, charismatic & loving ways!!! May you both rest in peace now.. till your time gets called again!!! 💕🙏💕🙏💕🙏🌻🌺

😬😬😬

Blessings,

Ya'll's niece,

Tiffiney Copenhaver Jackson 💕
