“ *My mother was a beautiful woman. She loved sports, crafts and animals. She was a huge Marlins and Dolphins fan and loved being with family. As her primary caregiver, the past 15 years has been a long road. Her cancer journey was very long, but she was in remission for most of it. She had a good sense of humor and cherished her cats and dog Bella.*

*Her passing was peaceful and quick with my sister Michelle and I at her side. I know she didn't get to say her goodbyes to her friends, but please know she loved you.*

*In loving memory, Diane*
