“ Where do you even begin to say how very much she was a part of your life and how much it meant?! She was a lady with so many talents, and she shared them with us all at one time or another. I will never forget when my parents died, I looked in the kitchen and there she was. She did so much for my family and she did not really know them, but she had such a wonderful personality and such a big heart that she was there for me and Howard thru it all. It was so funny, my oldest brother was from out of town and brought pants that were too long. He was walking around the house trying to find one of us to hem them up and of course I am no good at that stuff and was fussing at him. In walks Sandra from the kitchen and tells me to just hush and tells my brother not to worry that she will have them fixed in no time. And true to her word that is exactly what happened. For the rest of the time we were there thru Mama's and Daddy's funeral she was there and my brother wanted to kidnap her and take her home with him. That is just a tiny glimpse of what this wonderful lady did for all the lives she touched. She gave of herself to everyone freely. She will leave us all with wonderful memories and an example of how we were meant to use our God-given talents to serve others and Him. My husband Howard loved this lady more than i think she even knew. she was one of the few people he would listen to. They were so much alike it was not funny. i do npt know who was more stubborn him pr her. I know she usually got his attention so maybe she was. i Inow he and she are probably up there talking everyone's head off now, and they are happy and healthy.

Love one another and cherish each other for none of us knows what tommorow will bring. Love y'all. Grace Sessions

“ Aunt Sandra is what I always called her! She was always there when people needed her. She gave me a beautiful wedding that would not have been possible without her. My daddy Howard Sessions and my mother Grace Sessions loved her very much. I know they are both healthy and happy together in Heaven. She will be greatly missed by all who knew and loved her. She always was there to help everyone with her tireless devotion and talents. Her cooking was always so good. She was so good to my family and I have treasured memories of her. I thank God she was a part of my life! My thoughts and prayers are with all who love her and will miss her greatly! She gave to so many people in her lifetime. I will miss her!
