I miss you my dear friend. We had some great adventures. I'll see you again when you and Nancy meet me at that Pearly Gate. I'll keep up with Clapton and Bonomassa for you. I love you !!

“ *Sandy was such a dear, sweet lady! I was so blessed to call her friend. We were neighbors and had a chance to meet soon after she moved to Milledgeville. We enjoyed having a chance to do some things together periodically. I was especially grateful to have her attend Church with me periodically. I used to tell her, “Jesus loves you; so do I.” (She certainly loved Him, too.) After a while, she started telling me that....what a blessing! I will forever miss her friendship and hold her memory close. Her parrot, Elwood, as well. My sincere condolences to all her family!*
