“ Dear Jennie, Shelby, and Mack,
The years have been long since we've spoken, but I took care of each of you as babies (I'm your old babysitter from Carrington Woods) I was so saddened to hear about your mother and pray that God would comfort you. She was so precious to me! She truly taught me how to be a mother starting at age 11 and allowed me to be a special part of your lives. You were wonderful children and I know she is so very proud of each of you.##imported-begin##Lynn Hansberger Bouchillon##imported-end##

“ Dear Jennie, Shelby, and Mac,

I was deeply saddened by the news of your mother's death. You may not know it, but I first met your mom when I was pregnant with Tassi. She literally showed me the "ropes of motherhood!" I remember so fondly how she held Jennie on one hip, Shelby on the other... with a 'Karo-syrup-coated" pacifier in her mouth... and Mack's strong and busy spirit just made her put her chin on her elbow and laugh out loud. My prayer for you three is that you will find comfort in the good memories you share. May God hold you close in His loving arms.

With love,

“ Jennie, Shelby, and Mack,

Your mom played such an important role in the memories of my childhood. I have so many fond thoughts of her as we all grew up together -- playing, having slumber parties, and going places.

My heart is saddened that you all are going through such a difficult time right now, but my hope is that the good memories of your mom will provide you with the strength to endure.

I'm here if you need anything.

*With continuous thoughts, prayers, and love,
Tassi###imported-begin##Tassi Schroll###imported-end##*
