“ My thoughts and prayers for the family. Marilyn and girls, you were blessed to have such a fine man as your husband and father. I remember how supportive and proud he was of his "girls" when they were at Davis. I know how special it is to have had a loving and involved Dad. He also had a very positive impact on so many students in Baldwin County.

“ He was an amazing teacher. Truly one of my favorites! He was always willing to listen to his students thoughts and opinions vs. “just teaching”. I think he knew we would learn more if we thought we had a “say so”. After all, we did think we were grown and knew everything. □ He treated us with respect and in turn taught us the importance of treating others with the same. He was a treasure to Baldwin High and to everyone he met and interacted with I know. Praying for strength and endurance for his family while they process such a difficult loss. ❤️
