“ I'm so very sorry to hear about Sandy. I was scrolling through Winfield Alumni when I came across her obituary. I have known Sandy since our first day at school. Could someone please explain to me what happened to this wonderful woman? My condolences to the family.

I knew nothing of her passing! OMG I've known her since the first day of grade school and worked for her in 2001 @ Murphy USA.

“ *Sandy was my second mom growing up. I spent countless nights at her house and she always had special treats that she bought just for me (sorry Tosh!) because she knew they were my favorites. She was an important part of my childhood and I will miss her dearly. Rest is peace mamma!* ”

“ *I'm a Flash Food regular, as in a daily customer...and Sandy was always so friendly & chatty with me. She consistently asked how my husband was doing after his heart surgery. I will miss her friendly smile so much! My thoughts are with her family.* ”
