“ We are so sorry for your loss. As we have lost our mothers too, we certainly know the pain in your hearts. I loved your mother very much. She was always a pleasure to see back when we ate lunch with Nanny. Aunt Drucilla always had a smile and laughed a lot. I feel bad that I did not make an attempt to see her in the past few years, and we are unable to attend her services. But please know you and your mother are always on our minds and we will miss her dearly.
