“ Hush dear friends, don't say a word.
Our classmate is gone and free like a bird.
Free to fly in the heavens above,
As a friend, we'll always be thinking of.
He is gone from where we can see,
But in our hearts is where he'll always be.
Memories can never be taken away,
So we'll remember him when we learn and play.
Sadness, anger, and wondering why?
These are feelings that will make us cry.
But, our dear friend will help us grieve
Because his spirit will never leave.

“ My thoughts and prayers are with all of you. May you find some comfort in knowing that through your profound loss you have granted the gift of life to others. I worked with Albert for several years when Ray was younger. He was always talking about Ray and sharing pictures of him. Prayers for comfort in the days ahead.

“ Hey, my name is Jalen Witherspoon, I know you may not know me but I was an old friend of Scottie. We used to be good friends at eagle ridge in kindergarten. In elementary school we never had the same classes but he would always remember me in the hallways and we would chat for a little bit until we were told to get to class or lunch. It's sad to see that an old friend is gone and I send my deepest condolences to the family. Thank you for reading this and just know Scottie will always live in your hearts.

Sincerely,
Jalen Witherspoon
