I am so touched by being able to watch this. Sean, you are an amazing "kid" whom was obviously loved by many. I would have loved to see that heart on your back! I know if anyone would have confronted you on this, your face would turn red and that beautiful smile would appear across your face and deny deny deny!! You and Lyle were lil shits growing up. Wasn't that just yesterday? Time passes quickly. You are home now! You are reunited with your dad and many brothers, family and friends. Enjoy eternal life. I will see you again some day. (You will still be just a little shit then too!)

“ Sean, my brother you will be missed tremendously but far from
forgotten...16 years together from the Company to the Brigade
Level...we experienced the good as well as the bad times together
but we always managed to remain close as battle buddies do! RIP
my brother until we see each other again!
