“ Dennis
I'm so sorry about your sister. I have such wonderful memories of the First Assembly, your sweet parents, and the beautiful services. We were all so fortunate to have shared that time and place. My father thought so much of your father. He truly was a man among men. You remind me of him, steadfast and faithful, gentle and kind. We share a foundation of faith that gives us confidence that Sharon is home among those she loved. Oh Jesus what a wonder you are! We love you Dennis, always have and may you feel the prayers of all who share your sadness.

“ Sharon and I were high school friends. We learned a few lessons of life together. I had seen her about a year ago at the optomology office and found that she had lost her eye site. I am thankful that I got to see her then and reminisce . My condolences to her family.
