“ Paula & Family,
I will always remember coming to the house and Ms. Lillian's cooking. She taught me how to make gravy. Sharon and I went to Nursing School together and later met again while working @ CSH. As has been said previously and can never be said enough..Her smile is what could make even the saddest smile. We had some good times for the brief time we lived at the Brantley Bldg. I only wish we had kept in touch more. I remember us both being in the hospital @ same time for birth of sons. She told me "Ah, it ain't nothing". My thoughts and prayers will be with all of you. Remember the memories and she will forever remain in your hearts. What may have been a rough moment, you can look back and I am sure she made you smile. Love and prayers for you all.

“ Sharon and I went to Midway and Baldwin together. She was always such a very sweet person and had the prettiest red hair. But, her sweet smile is what I always think about, when I think of her. I had just recently heard about her illness and had just asked someone where she lived...sorry, I didn't get the chance to stop by and visit her. My prayers are with you, her family.##imported-begin##Mollie Arnold Barker##imported-end##

“ Lillian, Paul, Paula and Family: I am so sorry to learn of Sharon's death. I had just mailed her another card. We may not have kept in touch over the years, but when we were in the first graduating class from John Milledge Academy, we were best friends. I have so many good memories from those years. I spent so much time at Lillian and Paul's that I felt very much like family. Paula seemed like a sister to me. My heart goes out to all of you and her sons as well. I'll keep all of you in my thoughts and prayers. Love, Beverly (Roberson) Garrard##imported-begin##Beverly (Roberson) Garrard##imported-end##
