“ My love to all of the family, I've been very close with alot of you mainly Cindy. And her & Ms. Shirley took me in when I was trying to get back on my feet from a terrible relationship & divorce and I was always so thankful for that & I sat there and held Ms. Shirley when she had to say goodbye to Mr. Bobby over the phone because of COVID & did what I could to help with his funeral arrangements, because I really loved & appreciated her so much. She reminded me so much of my grandmother because of the sharp tongue that she could have, but it always came from a place of love. Because if not, she would let you know that too. I'm so glad to have gift of knowing her.

“ My heart is heartbroken but I know our loss is Heavens gain. Shirley was a remarkable and hardworking woman who worked harder than anyone I've ever known and loved with all of her heart. I was so blessed to have met Shirley and Bobby 37 years ago when Matt, Chad & Tal started PreK at Gilead Christian Academy and later graduated from Windsor Academy together. We became instant lifelong friends from that day forward. Angela and I were honored to help out with Shirley & Bobby's wedding. Over the years we shared so many wonderful times together, we laughed, cried and shared our griefs together (loosing our spouses just 4 months apart. We spent our time helping out with the boys school dances/events & trips, baseball practices & ballgames at the little league, to family vacations camping, vacationing in Florida, Nashville at Christmas, shopping trips in Boise, Al., Florida & Ga., and graduations and weddings. To know Shirley was to love her. She made so many sacrifices for her family whom she loved with all her heart. I know she is Heaven with our Lord and Savior along with Bobby & Jeannie & Bruce. I know Bruce one of the first to hug her because he loved her so much too! She will definitely be missed by her family and friends but I have so many beautiful memories that I'll cherish till I see her again. I love you Shirley and will miss seeing you along with talking to you on the phone. Rest in Peace my sweet & Beautiful friend and know that I Love you! ❤️❤️

“ My prayers are with the family, I first met Shirley at B&W As a new hire. She was such a sweet and beautiful lady. In all the overtime we did , mostly forced, she'd say hang in there it will get better. She was always was smiling and I enjoyed coming in early working in Shirley's group. Did get to see her a few years ago when she was watching Grandkids play ball, it was good to see her. It was a blessing to have known her .
