“ Deb, Mike and I are heartsick about Skip's passing. It seems only yesterday we were with you both at the Theta Chi centennial in Auburn. You and Skip are a big part of the fabric of our early married life. We shared so many moments with you two! Where do the years go? The biggest memory I have is the great love he had for you, and he showed it in so many ways great and small. You are in our prayers.

With much love and affection, Mike and Brenda

“ Deb, I am so very sorry for your loss. It has to be gratifying, though, to know that you can have no regrets. You were the very best wife to Skip that you could be. I wish you comfort and peace in the coming days. Love, Patsye
