*I am so Sorry to hear that Sonnyman has left his place on earth, but I know he will fit right in at his new home in Heaven. God we all use to be so close in our family. Then we grew up and Life tends to get in the way, we lose someone and we say we will do better about connecting more with family, but we never do and then we have regrets. My prayers and Thoughts are with you during your time of loss and always. Wanted to make it to the service to pay my respects but I have the baby today. I'm with you in Spirit. I love y'all and again I'm so Sorry.

I'm struggling for words right now. This world just lost a wonderful human being, but God is gaining a wonderful Angel. Sonnyman will be greatly missed by everyone that knew him. He was always willing to help everyone out, what a big heart he had. May God wrap his arms around you to help you through this difficult time. You are in my thoughts and prayers. Love y'all.

Thanks Cindy and Cecile. Thank you both for the kind words. His son Michael preached his first funeral today. It was the most beautiful service that I've ever heard. Such true words were spoken. I think everyone that worked at the funeral home had to tell him how good of a job he did. It was sad but lot of laughter too. I already miss him soooo much but I know he is rejoicing with his 5 children and the rest of the family. Just remember, I love yall.

“ I met Sonnyman when I was 16 years old. He was the go to guy in Baldwin County for any auto mechanic needs. Sonnyman love his trade and he blessed many people throughout the years by charging only a fraction of what the big shops charged. I remember when my son had him to work on his Mustang, after he told me what Sonnyman charged, I said "you go back down there and give him some more money because that's not enough."
To the family, Sonnyman has run his race, he has finished well. In the end what matters.is not how you ran, but how well you finish.
