“Curtis and family I just found out about Sonya’s passing. I am so very very sorry for your loss. I know it’s been a while since I have got to see y’all. But thought about y’all often. We just get so busy with our own life that we just don’t visit like we use to. I am so sorry that we didn’t. She was just still so young and vibrant. I truly thought she would be here for a long time to come. I guess JESUS our LORD and SAVIOR just needed a very special ANGEL IN HEAVEN on the 2nd of August. He surely got what he needed. I pray that GOD will bless each family member with the peace that only he can give. I pray that each one will find the strength to get through the next few days and forever. Sonya was a precious person and sometimes we don’t understand why someone as caring, loving, and a huge heart would have to leave us so early. We just continue to live for the LORD and we will see her again soon. We just need more people to be like her in this world. It would be such a better world. Love you all. We will always keep you and your family in our prayers. If you need anything Curt give me a call. Love AUNT VICKEY (Wood) Bloodworth. My number is 478 452 2317 if there’s anything I can do just give me a call.

“ My dear sweet friend. You are going to be so missed here on earth. Our chats at work, texting back and forth, and on our live ring bomb parties. I have all of your family in my thoughts and prayers that they find some comfort during this time. However, as we talked about. I know you are rejoicing seeing your mother, and father. I know you will be watching over your girls and those grandbabies that meant the whole to you. I love you girl, see you on the other side my friend.

“ *My beautiful sister. My rock. Often my mama. No words can express the sadness I feel at this moment. Thank you for never giving up on me, even when I wanted to give up on myself. For loving me unconditionally even when I didn't know how to love myself. I dont know if I ever told you but I couldn't have made it without you. As the world loses one of the most beautiful souls ever created, so heaven gains an angel far to good for this world. You are with me always with every beat of my heart. Tell Dad, Grandma and the rest of the family how much we love and miss them. As we will love and miss you until it is our time to rejoining you all in paradise. Fly High My Amazing Sister. I Love More Than any words will ever be able to express. Rest In Paradise. Love always, your little brother Joey Cox*
