*Although I have never met you, I knew Spence because Wikinson County's Office of Commissioners is my fiscal agent. I used to enjoy conversations with Spence. I found him to not only be bright and well-informed on many subjects but he was such a compassionate and giving person. My husband felt same way often working out with him at the gym. I only recently learned of his passing. What a tremendous loss for you and all of his friends.*

Sam,  
Byron and I were shocked to see that Spence was gone. He and you hold special places in our hearts.  
We always enjoyed his visits (even the business ones). He and Byron shared alma mater memories and laughed a lot. If we can be of help to you, please know we will be available
