“ My husband and I would like to express our sincere condolences to the family and friends of your beloved Stella. We wanted to share with you comfort from God's Word, found in John 5:28,29. Here we are given the wonderful hope of the resurrection of our dear loved ones. The God of comfort also reassures us that he is near to those broken at heart and to those crushed in spirit he saves. (Psalm 34:18). May you find comfort also from the many loving memories you all made and shared together, cherish them in your hearts always. Take care of yourselves and each other during this very difficult time.

Dr. Moore and family, May God give you comfort in your loss. I cannot tell you how much you and Stella mean to me. I was remembering last night the time she baked me a pan of cornbread and brought it to me at work. She helped me locate a coconut cake recipe that we thought Bill would like. I still enjoy the unique santa figurine she gave me. There are soooo many wonderful memories. all my love, Corean

My heart breaks for you, Dr. Moore and your family. You and Ms. Stella were two peas in a pod. Such a fun loving couple and a great example for all us "xray girls"
