“ I watch the home videos the other day of dad mama my kids and me at tybee island. i remember dad talking me into climbing the light house stairs. i made it to the top but when we started down the stairs i got scared lol. he had to stay in front of me just so i would walk down the stairs. lol. you have to see them to understand the delima. but thats the dad thing always there to make everything ok. now hes in hevan with ma.even now he still makes everything ok in a way. anything we need to fix anything broken in here. he kept everything that could be of some use. a broken pipe, a bike peddel, whenever something is needed, i find it here. just wish him and ma was here to. its hard to even begin to fill their shoes.they were great parents

“ Daddy spoke to the preacher In the end. He was asked "do you know the lord" I was told he said yes. Daddy then spoke to me and said "always open your heart to God and and keep faith. He is the only way to a Wonderful life." I miss him and mama so much but I know they are In gods arms and together and waiting for me for when my time comes.
