

## Steve Huff

July 28, 1946 - December 3, 2025

John Stephen “Steve” Huff, 79, passed away on December 3, 2025. Born in Queens, New York to Jerome and Martha Huff, Steve spent much of his childhood moving with his family due to his father’s military career. Those moves took him to places such as Japan, Hawaii, and Alaska, experiences he spoke of often throughout his life.

Steve was a Vietnam veteran, serving in the United States Army from 1967 to 1970 and completing his service with an honorable discharge at the rank of Specialist Five (SP5). He served nearly a year in Vietnam as an Aviation Flight Equipment Specialist (38B) and earned several service medals and marksmanship badges during his time in the Army.

A talented carpenter, Steve took genuine care with anything he built, from homes and furniture to anything he could shape or repair. His passion for Mopar and antique cars was a defining part of his life. He spent countless hours restoring engines, collecting parts, and talking shop, forming meaningful and lasting friendships through these shared interests.

Steve is survived by his wife, Rosy Huff; his children, James Paul Huff, Allison Rousey (Wesley), and Lauren Goebel (Nick); and his grandchildren, Mia and Brody Goebel, and Cameron and Vivi Rousey. He is also survived by his siblings Jerry Huff (Linda), Rodney Huff (Mary), Debbie Kreimborg (Joe), Kathy Marshall (Bill), and Liz Aufmuth (Dave), along with many nieces and nephews.

He was preceded in death by his parents, Jerome and Martha Huff; his sister, Jennifer Susan Huff; and his best friend, Willie James Tennyson.

Steve's family extends heartfelt gratitude to the Georgia War Veterans Home in Milledgeville for the exceptional care, dignity, and compassion they provided throughout his final years.

“ Dear Rosy and Family, I am so lost for words learning about Steve's passing. I met you and him when I worked at BellSouth, Cingular Wireless and he was such a joy to have as a customer as well as you, too. I loved to hear him talk about his war stories. He was a sport for sure. Everytime he saw me he would ask, What is your name? although he was teasing. He met my husband Casey and they had several nice conversations at Lowe's. He will be missed, although I havent seen him in a while and did not know he was at the VA home in Milledgeville.

Please know that you all will be in our prayers during this time and you and Steve will always be in my heart and never forgotten.

Until we meet again, Rest in Peace dear friend.

“ Back in December 1978 Steve met me at Laguardia Airport at 11pm. I was transferring from New York to DFW to fly for American. We drove nonstop all the way to San Antonio. Steve never stopped talking the whole way. Steve was my good friend.

Mr. Kreimborg, I met you briefly many years ago (20, perhaps?) along with Steve's mother over on Mistletoe Lane in Milledgeville where Steve's "Paw-in-law" used to live and he worked on his fleet of old cars. Steve practically raved about you after you drove away! He was always very complimentary of you on the odd occasion you would come up in my conversations with Steve about family and what-not. I was thrilled to have met both you and Steve's mom, even though it was only for a moment!

Eric Buckley - December 15, 2025 at 01:22 PM

“ Steve was truly one-of-a-kind and a gem, actually. He was very talented, restoring and scratch building homes, with custom features not common to this region. He meticulously restored antique Imperial automobiles and later Chrysler cars, vans and pickups with his own unique techniques. Steve was a hard worker, he and Willie James worked hard far beyond their contemporaries, but Steve always found time for his automotive passion and his family. He will be missed and remembered fondly. RB
