“ I have not seen Steve in many years. But I have very good memories of being his friend and football teammate at Baldwin High. We went through many tough football practices together. But Steve always had that smile-which was great! I would have loved to have seen him again. Steve was a good man and a blessing to us all. God bless you, Steve, and your family.##imported-begin##Dr. Dan Spears##imported-end##

“ Mrs Simcox and Family,

*I am so very sorry to hear of Steve's passing. Many years ago I was fortunate enough to get to know Steve, his brother Ronnie and his parents and loved them all dearly. Steve no doubt touched many lives and made hundreds of friends. Those friends have stayed friends with him thru the years whether they have kept in touch or not and those memories are always good memories. I am so glad that Steve found someone special to share his life with, he was so deserving of a wonderful love and I am sure he found that with you. Thank you for coming into his life, for sharing him with all who loved him and wanted to spend time with him. My last memories of Steve were of my Dad who lived in Ivey coming home from his walk with a bag of tomatoes that Steve had given him. How surprised I was to find out that Steve was the same Steve that I had known all these years but had lost touch with. My Dad and brother both have died, but memories have helped so much with the loss. Please know that Steve has been loved and will always be loved by those who knew him, myself included. He truly was one of a kind.##imported-

“ When I (frankie) went to work at GWVH in April of '82 the second person I met was "yeah sure!" Steve Simcox. I had been hired as the therapist in charge of the Rec. Hall and the two guys who managed it- Steve and Billy Tanner (and Tony Santarone as well). It took two minutes for Steve to explain his job, and less than one minute to simultaineously make me feel at home AND embarrassed as hell! Unfortunately, his methods were a little too adult (and warped) to mention here! There were many times on and off the job that I was certain I would not survive Steve's antics; there was never a doubt that I had made a true friend. Given the chance, Steve could love and be loved by just about anyone. Even if it just about killed us sometime, we all were blessed to have been his friend. We love you Steve. Find peace and good times in your next journey.##imported-begin##Frankie and Andrea Jones##imported-end##

“ Mrs. Simcox and Family,

Steve and I were friends many years ago and it has been years since I have seen him. I am so very sorry to hear of his passing, truly sorry. Steve called me Shusha (why I don't know--he could have been calling others Shusha too) but he always had a way of making me feel like that was his name for me and for making me feel like I was always a part of the crowd. I never told Steve how much I loved and respected him but somehow I think he knew. May you find comfort in the memories you have shared with Steve and may you find comfort in those whose lives he has touched and in those who surround you at this time.##imported-begin##Carol (Shusha)##imported-end##
