DR

“ To the entire Somers family, our prayers have been with you all. Even though Steve was born in Florida, he was a Coopers boy! Loved Mr. Don and Mrs. Arlie, two special people so sweet to me as a little girl and the neighborhood kids down to play with Steve and other kids. He was always such a super nice kid, young man, and respected my Mom later on when she was a friend to Mr. Don, always welcomed in their home. My heart breaks will miss seeing Deloris and him always out and about. Denise and Eddie Renfroe

“ To Steve's family, friends and co-workers,  
I began working at Baldwin Co 911 in October  
1991. There was no formal training, it came  
from dispatching calls. I can't even imagine  
what it was like for men and women who put  
their lives in our hands not knowing who we were. Few had my  
greatest respect, Steve was one of those who did,  
My confidence as a dispatcher grew as I worked calls.....I tried to do  
my very best and it was strictly due to people like Steve. Even when  
I would see him out and about, he often spoke first making me feel  
completely at ease. My heart aches at the news of his passing....he  
was truly a rare gem...  
God Speed Steve.....thank you for great memories
