“ Susan was a very valued and talented member of the of the Georgia Outdoor Writers Association. She wrote several wildlife books and won writer contest awards within our organization. Two years ago, she invited our association on her property and was the perfect host. She was a joy to be around and had many great stories to tell! She was very much appreciated and will be sincerely missed by all our members ! John Trussell, Treasurer , Georgia Outdoor Writers Association

I very much enjoyed meeting Susan in recent years. She was a spitfire, so wise about many subjects, and told many great stories of her youth and growing up. I hate that I knew her for so short a time, but very grateful our paths did cross. Rest in comfort with the Lord Susan.
