“ We are so sorry we couldn't make Susies memorial. Dan has a bad sinus infection and didnt want to infect others. Our love and prayers are with Bruce and the girls. God Bless to all.
Love, Carrie and Dan Edwards.

“ Dear Bill, Annelaurie & Family,

We are saddened to hear the loss of Susan. Please know that she will be in our thoughts and prayers. May God give you all strength to remember Susan and all the joy and love she brought to the families.

Love from all of us in CA.

“ To the Morris Family,
I was saddened to see that Susan had passed away. I have fond memories of when you all lived on the Glendale hill. Of course I have moved on to another marriage and family, but certainly wanted to recognize that I know she will be missed. Take care and celebrate your memories! Love from a long ago friend,
