“ I am so saddened hearing about Suvella's passing. I know the ache in my heart is not near as great as her family and very close friends. I'll always remember times at the ball field. She was so feisty and wouldn't hesitate to go after players on the other team with a bat. She was one of kind. She will not be easily forgotten. She loved as hard as she played. ❤️

“ I'm so saddened to hear of Suvella's passing. She was a great person who always had an upbeat attitude and tried to find the positive in everything. She was always happy when our paths happened to cross. We had a lot of fun times working together at the Sheriff's Office. She will be missed by me and many others. Many prayers and much love to the family.
