“ I have lots of fond memories with Suzanne, but the ones that stick out the most are the nights I would spend with her eating Hugh plates of French fries and egg sandwiches 🍷 and playing cards. When Crystal was born helping to care for her. Suzanne has always meant alot to me, RIP my sweet friend ❤️

I recognized that sweet face and smile immediately even though it has been MANY years since we hung out together. You always wonder as you got older if anyone but family will have warm memories of you from long ago. I know it's possible because I can close my eyes and see the twinkle in her eyes and the sound of her laughter. You were precious!
