“ *There have been many people in my life that have influence it to the good, for the kingdom of God, Ted Ruark was one such person. I will never forget that Sunday morning long ago, when God using Mr. Ted, orchestrated a chain of events that change my life forever. I had the chance to share that with him a few years ago and he humbly said "I never knew that David." Mr. Ted your home now with your precious wife, you have run your race and finish the course, may now you receive your crown.*
