“ There are so just many words I want to say and yet not enough words to truly express how much this hurts and how much I will miss my brother. You were such a special person to me and you will always be in my heart!

“ I can remember him, working at the Southside Piggly Wiggly, back in the '80's, as a bag boy. He had the sweetest soul for a boy his age! From reading the posts, I'm happy to see that "that soul" was always with him. 🙏
