I am heartbroken to hear of Terry's passing. He & I were on the maiden ship of GA commercial claims before he went back to the field. He was super funny! I will miss his sarcasm in the claims world- a job that always needed his humor. Forever in our hearts at Progressive. May his memory be eternal. Jennifer Bogle

“ So, so sorry for your loss. I didn't even know you had moved to Milledgeville. We just didn't keep up to date with each other.. Terry was a special guy and all loving. I talked to Jeri Graves who knew and one of you former neighbors Ruth Ann Walton who didn't know about Terrys death either. Wendi you and your children have my deep sympathy.

“ *I'm terribly saddened to hear of Terry's passing. We worked together at CCPD and then at ACCPD, on the same shift much of the time. We had such a great time back in those days chasing bad guys, taking Karate and hitting the weights together, and just hanging out.*

I have countless stories about our shenanigans and have been constantly thinking back since hearing the news this morning. Changes in careers for both of us allowed us to not talk much anymore, but I have the memories to hold onto.

Know Terry was loved and treasured by very many people, including me. I will miss my friend.

My prayers and condolences will be pouring out for his family and co-workers, as his passing will be difficult on all.

“ *I worked with Terry in the Traffic unit at Athens Clarke police. He was always a step ahead. If you thought of something that needed to be done, he had already done it. And done it right. Always assisting in every possible way. Always a great attitude. Had a great time working with him but always got the job done right. His passing is a true shock to all. He is a true Believer, so no worries there. We will see you again, CCPD 60. CCPD 64 out*
