“ So sorry to hear about Terry, my heart and prayers go out to his family. I used to work with Terry a long time ago in Macon. Him and Philip were insulator's, at a company I worked for there. Terry was a good guy, I'm so sorry to hear he passed, I didn't know until now, when I was looking for another person's service time and saw his name.... May God bless you and your family in the day's to come and keep you strong....

“ Terry was a wonderful mentor and friend to me. My heart and soul mourns his passing. God bless all of those close to him that are dealing with his departure from this realm, but praise God, for he has ascended into Heaven, pain free and renewed by the light of the Lord almighty. He is with our father, who art in Heaven....
