“ *Dr Terry Stair was a kind and giving soul who truly gave the gift of love and generosity to his family and community. As a pastor, he preached god's word to thousands of people. He also made time to reach out as a volunteer preacher to those who were incarcerated in correctional institutions to help them get prepared for release back in the community.*

*His jovial smile, white beard and friendly manners made him a natural to play Santa Claus at events in Milledgeville over many years. He said listening to the children "talk to Santa" was one of his greatest joys at Christmas time.*

*Terry was proud of his Patriot ancestors who fought in the Revolutionary War and was a strong leader of the John Milledge Chapter of the Sons of the American Revolution. He had recently completed his term as President and he was an excellent leader who prepared many fine programs and meals for the members. If you had the honor to know Dr Terry Stair, you were truly blessed and he will be greatly missed.. My sincere sympathy to his family.*

“ Heather,  
I just came to your your dad passed. I wanted to take moment and share my experience with your dad. I actually met him years prior to meeting you. Deanna told me he was your father.  
I met your father when I was organizing my first VeteransFest at Georgia War Veterans Home. I was searching for vendors etc and your father reached out to me and volunteered to come out. He explained a bit about his collection, but I had no idea! When he came out and set up, it was amazing! His military displays were incredible. The Veterans and the community really enjoyed it.  
I think I organized a couple of more VeteransFest events the next two years. Your dad was there for all of them. I think your son was old enough to help him in the last one. I am going to go through my photos and post some of the event photos here.  
Your father was a devoted Soldier. And incredibly generous with his time as a Veteran, for the Veterans. He was also a man of God and a dedicated Christian. The world is a better place because he was in it. -  
Praying for you and your family, during this difficult time that I am too familiar with. - Wendy Allen
