“ *Mrs. Carol Torie and Family You are all in our prayers at this time. I first met Thad years ago selling him parts but the memories that stand out were when my family would run into you and Thad eating out. You are such a sweet couple and your love for each other showed. Then after Thad got sick, each time he would remind me just how good the Lord was to him.and would keep me updated but always praising God! Thad was not just a hearer of God's Word.Thad lived God's word and set an example for all of us! May God richly Bless you and your precious family Ken Mills and family*

“ *Thad was the most wonderful friend to our family. He was a gentle giant! When we closed our business, he came and moved our forklift all the way across town for no charge. He wouldn't take any money. His kindness to us was always so appreciated. We thought the world of him. All who knew him, understood that he was a very special man and we were all blessed by his presence. We will miss him so much! Prayers for his family and all who loved him.*
