“ My thoughts and prayers go out to your family at this time of great sorrow. Ms. Thelma was like a grandmother to me when I was a little girl. We lived next door to one another and I'd sneak over to see her when I needed to "get away and feel loved". I hadn't seen her in years since we moved away and I grew up but I have thought back on the years I was lucky enough to have had known her and had her in my life. She's one of the lucky ones, she's home with our Father in Heaven. God bless.....
