“ *Hi Tom,
I know your at peace now and in the loving and forgiving hands of God. I wish circumstances had been different so that we could have spent more time together as I did enjoy them when we were together. I always felt we had many things in common and always enjoyed talking with you. God is now your judge and may he show mercy to you.

“ *Tom always had such a great outlook on life. Once you met him it only took a few minutes to make you feel you had known him for a long time. He faced his illness head on and never felt sorry for himself. We should all live with his attitude. Connie was a great caretaker.##imported-begin##Donnie and Vivian Kilgore##imported-end##*

“ I have been in love with my dear Uncle Tom, since I was a very young child! As a very young girl, I got to be the flower girl at his wedding. I remember looking at Uncle Tom as I was walking down the aisle and was sure he was only looking at me too! I enjoyed listening to my mom and him talking about growing up together and the funny things that happened. I loved to hear him talk and laugh, because I could hear my Grandfather and mom in his voice! I miss you so much, but am glad that you are no longer hurting and are together again with Grandpa, Grandma and your sister, my mom. I'll see you all again some day.##imported-begin##Darcy Therrien Miller##imported-end##

heart forever....wait for me! My heart aches, but I know you are in a
much better place surrounded by those who have been waiting for
you and knowing you have found peace is enough to keep me
