*“ To my adopted family, I am so sorry that each of you are having to go through this today. Please know that Papa Thomas is in a much better place than we are, no more pain and he's watching over us all daily. Papa Thomas was the sweetest man, always giving of his love and never judging. A true, genuine man who loved his family. Granny I know that the loss of Papa is something you may feel you cant bear, but please know he is with you still. I love you all so very much and I will be by your side today.*
